New Hardin County Farm to Table Logo Unveiled at Press Conference

The Hardin County Chamber & Business Alliance held a press conference on Friday, July 24 during the Membership Appreciation Day luncheon to announce and unveil the new Hardin County Farm-to-Table logo, as a new marketing strategy to encourage more agri-business opportunities for farmers and growers in Hardin County. Hardin County's newest agri-business is Harvest Pride Tortilla & Chips. They were on hand to discuss their new business, using local produce to make the farm-to-table product.

The new farm-to-table logo was designed by Wesley Goldsmith, a local Hardin County resident and Ohio Northern University graduate. Wesley has designed many new logos, including the new county motto, Buy Local and Kenton Historic Courthouse District logos. The farm-to-table logo will also be featured at the upcoming Hardin County Fair.

The event also featured Local Chef David Wagner with Plaza Inn Family Restaurant. Chef Wagner served a tasty BBQ lunch paired with Harvest Pride Tortilla & Chips.
